Date: 05th May 2023

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Shivam Kumar has completed his association as Software Development Intern at DVertex Info System from 24th October 2022 to 02nd May 2023

He has worked on the company's internal projects. His work aimed to improve the company's existing functionality of the product and add new features. As part of the project, he has done the following tasks:

- Developing APIs using Node.js and the Express framework
- Working with databases, including both SQL and MongoDB
- Writing unit tests using the Chai and Mocha testing frameworks
- Collaborated with android and frontend teams, helped team to troubleshoot and resolve backend bugs.

The candidate demonstrated his self-motivation skills during his internship to learn new skills. His performance exceeded our expectations, and he could complete the project on time.

We wish him all the best in his upcoming career.
